ACT II · THE LOOP

Pay for three readers only when it matters

One reader

- Documentation and tests
- A small code change, away from any guard
- Costs one read of the diff

Three readers and a vote

- A larger change
- Always, for a path marked as a guard
- Costs about three reads

review-loop depth, skills/pre-pr-review/scripts/review-depth.sh. Default limit: 60 changed code lines.
