ACT VI · LEARNING

# A verdict is your decision about one thread

| VERDICT | MEANING |
| --- | --- |
| **fixed** | Right, and fixed. Give the commit. |
| **rejected** | Wrong. Say why: it is remembered. |
| **caught** | My own review had already reported it. |
| **deferred** | Real, but not now. |

docs/learning-from-reviews.md. Also: missed, and new for undecided.
